MEGA MAN 7™

Dr. Wily's crusade to rule the world ends abruptly at the hands of Mega Man, so what's a villain to do? Create a diversion and break out of prison! Mega Man has his hands full as 4 gigantic machines exit Dr. Wily's lab to ravage the city, but...who is behind this new plot as Wily sits behind bars?

Dr. Wily knew his diabolical deeds would end in failure one day. So as his robots attack by remote control, the sinister doctor breaks out of prison and flies off in his spaceship. The Titanium Titan is tricked!

With the help of Rush, Roll and Dr. Light, can Mega Man put the slippery Dr. Wily back in prison where he belongs? The future of the world hangs on Mega Man's every move. Go get 'em Mega Man!

- Return of the classic game series—now on Super NES!
- Charge up Mega Man's mega-buster or use a weapon acquired from his enemies to end Dr. Wily's rampage!
- The first 16-meg Mega Man adventure!
- Intense action for 1 player.
